**DECLARATION OF WILLIAM P. ATKINS**

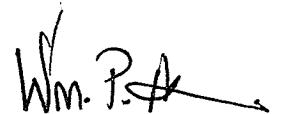

I, William P. Atkins, declare:

1. I am counsel for Defendant Fellowes, Inc., in the above-captioned matter. I have personal knowledge of the following and if called upon I could and would competently testify to the following.
2. Attached as Ex. B-1 is a true and accurate copy of a printout from the Aurora Global Investment Ltd. website. I printed this document and it is a fair and accurate representation of what I saw on the screen when I visited the website on the day of the printout.
3. Attached as Ex. B-2 is a true and accurate copy of the Certification and Notice of Interested Parties filed by Aurora Corp. of America in the U.S. District Court, Central District of California on December 26, 2007.
4. Attached as Ex. B-3 is a true and accurate copy of the Amended Certification and Notice of Interested Parties filed by Aurora Corp. of America in the U.S. District Court, Central District of California on January 31, 2008.

5. Attached as Ex. B-4 is a true and accurate copy of a printout from the website of Sidestep showing how long it takes to fly non-stop from Chicago to Shanghai and from Los Angeles to Shanghai. I caused this document to be printed by my secretary. My understanding is that this is a fair and accurate representation of the website's information.
6. Attached as Ex. B-5 is a true and accurate copy of a printout from the website of MASCO Marketing. I printed this document and it is a fair and accurate representation of what I saw on the screen when I visited the website on the day of the printout.
7. Attached as Ex. B-6 is a true and accurate copy of relevant pages of a printout from the website of Stockhouse. I printed this document and underlined Mr. Adato's name and this document is a fair and accurate representation of what I saw on the screen when I visited the website on the day of the printout.
8. Attached as Ex. B-7 is a true and accurate copy of a printout from the website of Noah Company. I printed this document and it is a fair and accurate representation of what I saw on the screen when I visited the website on the day of the printout.
9. Attached as Ex. B-8 is a true and accurate copy of a printout of an AS1018CD Aurora paper shredder from www.biggestbook.com. which I understand to be owned and run by United Stationers Inc.
10. Attached as Ex. B-9 is a true and accurate copy of a printout of an AS1018CD manual which I printed from www.auroracorp.com. I printed this document

and it is a fair and accurate representation of what I saw on the screen when I visited the website on the day of the printout.

I declare under the penalty of perjury under the laws of the United States that the foregoing is true and correct and that this Declaration is executed on this 4th day of February, 2008 in McLean, Virginia.

---

William P. Atkins

## [Aurora Global Investment LTD./Aurora Office Equipment Co., Ltd.](#)

The Shanghai headquarter is the nerve center of Aurora Global Network. Internal operations are supported here: manufacturing base, R&D center, marketing division, accounting and finance, HR, sourcing, QC and QA, warehousing and shipping. It integrates resources of overseas companies, agents and business partners and offers a whole range of services: marketing research, product development, industrial design, supply chain management, central sourcing, technical support and merchandise management. We work with the highest professionalism and consistency.

## [Aurora Corporation of America](#)

Established in 1975 and located on west coast Los Angeles, ACA gradually built up a client base. Using a unique sales model, and leveraging its relationships with a large number of well-known companies, ACA is able to distribute its products throughout the country. Living up to its reputation as a one-stop office product solution provider, ACA brought out a product line specially designed for the U.S. customers.

## [Aurora Japan Corporation](#)

Established in 1976 and headquartered in Tokyo, AJCs approach has been to build a strong distribution network, emphasizing teamwork, and satisfying this critical and difficult market with competitive pricing and high-quality service. After almost thirty years, the acceptance of the Aurora brand continues to rise. AJC continues to aim for long-term success in Japan.

 **Aurora International  
(Singapore) Pte Ltd.**

AIS was founded in 1991 and has expanded its product line beyond office products. From the Singapore hub, AIS sells to other South-East Asia countries. AIS has a thorough understanding of each of these local markets, and has developed long-term partners to serve customers better and faster.

 **Aurora (bvi) Investment Ltd., Taiwan Branch**

The long standing AIT looks after Aurora product line in Taiwan. Fiercely competitive and loyal to its customers, AIT markets a large range of products and offers superior service to improve on the office ecosystem. Starting in 2003, AIT further broadens its product line by introducing fashion-oriented electronic appliances for home and office use. AIT goes ever deeper and wider in Taiwan, leveraging its strength in product range and brand recognition.

**Profiles****Computer and Electronics Sales and Marketing Specialists****Profile of the MASCO Team*****Morris Adato***

Morris has been in the consumer electronics industry for more than thirty years. He has developed a successful sales rep and marketing consulting firm. Morris has generated new product ideas that have won innovation awards at both the Premium and Consumer Electronic Shows. He has developed both consumer and trade advertising and public relations campaigns that have resulted in his clients' significantly increasing market share.

***Richard Spindel***

Rich is both an industrial designer and graphic artist. This multi-faceted talent has allowed him to totally coordinate development of a new product from original design to packaging and advertisements. Look over is extensive portfolio of product and packaging designs at <http://www.spindeldesign.com>

***Jon Sanserino***

Jon is one of those rare industrial engineers that can take an idea and make it a reality. His 25 years in product development of professional and consumer electronics products include nearly a decade of working with Pacific Rim vendors in converting engineering sample designs into pre-production.

***John Kim***

John has been a successful importer and exporter of a broad range of products for the past ten years. He currently operates a computerized warehouse and offices for distribution within the United States and to Southeast Asia. John has worked closely with our clients as liaison in product development and distribution. He is primarily responsible for our MASCO International Division.

***Jonathan Cohen***

Jonathan's activities are focused on product source development and foreign distribution. He has over twenty years of experience in international trade. Currently, Jonathan has over 150 customers in eighty-plus countries in consumer electronics.
